AZBUKUM - Centre for Serbian

Serbian Language Courses for Beginners, GCSE and A Level with a recognised qualification

The Round Table is pleased to announce that it intends to run **Serbian Language courses** from September 2022 in partnership with the **Azbukum Centre** for Serbian Language and Culture in Serbia, offering a recognised qualification at the end of courses.

The courses have been designed by the Azbukum Centre (www.azbukum.edu.rs) which is based in Novi Sad and Belgrade and has been teaching Serbian as a foreign language to adults and young people since 1995. Azbukum courses were accredited by the Serbian Ministry of Education in 2017 and correspond to the European Common Framework of Reference for Languages (ECFRL), so their qualifications are recognised not only in Serbia but in Europe and beyond.

Courses

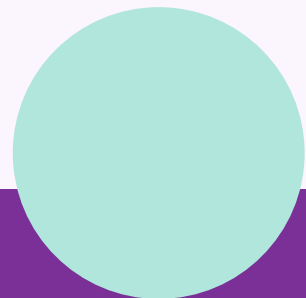

The courses offered are an A1 course for beginners, an A2 course equivalent to GCSE Foundation Level, a B1 course equivalent to GCSE Higher Level and a B2 course equivalent to A Level.

For whom?

The courses are aimed at students from 12 to 17 years old from across the United Kingdom and Ireland. Apart from the course for beginners they are aimed at students who have a working knowledge of Serbian in reading, writing, listening and speaking. Students will be given a diagnostic test at the beginning of the course which will determine which level course they should follow.

If there are not enough students to make it worthwhile delivering a course at a particular level they will be encouraged to sign up for a course with Azbukum.

When & How?

Courses for beginners (**A1**) and GCSE foundation level (**A2**) will run for one academic year, from late September 2022 until July 2023, while those for GCSE higher (**B1**) and A levels (**B2**) will run longer: from September 2022 until January 2024. All of them will be taught online with two lessons per week, one of 90 min (including break of 10 min) and another of 60 min. One lesson will be taught on Saturdays and another at a time agreed by the students with their teacher. Since the courses will be taught online they are open to students from across the UK & Ireland. Students will be given a code to access the Azbukum online platform **AOS*** for additional practice (reading, listening, games, videos) and support for homework of 30 min to 60 min a week. Study on the Azbukum AOS online platform can be done any time in the week.

AOS* is an integral part of the course and needs to be done if students are to complete the course successfully.

The screenshot displays the 'Azbukum Online Serbian' website. At the top, it says 'An outstanding online program' with a 'Learn more' button. Below this, a banner states 'There are different types of Azbukum Online Serbian programs: Regular, Focus and Speak-up.' Three course cards are shown: 'Serbian Regular Courses' (with a bear icon), 'Serbian Focus Courses' (with a wolf icon and a 'REGULAR' tag), and 'Speak Up Serbian Course' (with a duck icon). Each card includes a brief description, a 'Course details' link, and a 'Let's go demo!' button.

Examination Process

The progress of pupils on the course will be assessed on a continuous basis by London teachers and Azbukum staff.

Final Exams in reading, writing, use of Serbian, listening and speaking will be held online at the end of the course for **A2, B1 and B2 levels**. The exams will be examined by Azbukum staff.

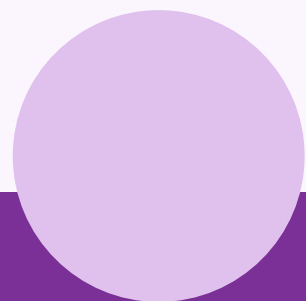

Certificates

Students who have attended 75% of classes and completed 100% of on-line AOS assignments will receive a

Certificate of Attendance.

Those completing the final examination will receive a **Certificate of Proficiency**, indicating the levels reached in all four skills and an overall level of proficiency.

Both **certificates are recognised** by the Ministry of Education of Republic of Serbia.
